High Impact Areas For Broadband Availability  
Response  
Selden, You-Young (Clover)

Clover Selden,

Race Telecommunications, Inc. would like to make your group aware that #8 "Bear Valley Springs" on the High Impact Area was already awarded a CASF grant "The Kern County High Desert Project CPUC Resolution T-17415", and is in the final stages of construction, and should be removed from the High Impact Area List.
