

## **Anza Electric Cooperative Project Summary for Connect Anza CASF Grant funding**

**Applicant name:** Anza Electric Cooperative Inc.

**Contact person:** Mr. Kevin Short, General Manager. 951-763-4333  
kevins@anzaelectric.org

**Project Title:** Connect Anza

**Proposed Project Area Location:** Communities of Anza, Aguanga, Pinyon Pines, Lake Riverside Estates, Garner Valley, and Reed Valley, located in the unincorporated area of Riverside County, CA.

**Project Type:** Last mile fiber to the home

**Total Funding:** \$4.69 million

**CASF Funding Requested:** \$2.82 million (Grant funding)

**Self-Funding Match:** \$1.88 million

**No CASF Loan Request**

**Project Description:** Connect Anza will deploy a fiber optic cable on existing poles and rights of way and establish a network of sufficient capacity to establish high speed, quality internet service for Anza Electric Cooperatives (AEC's) existing service territory covering over 500 square miles, located wholly within western Riverside County. The area encompasses the communities of Anza, Aguanga, Mountain Center, Pinyon Pines, and Garner Valley. All areas are within the boundaries of the CASF Broadband Infrastructure Priority Area listed in resolution T-17443. These areas are home to nearly 10,000 residents and 30 businesses. Connect Anza will offer free internet access for residents at the community hall and community park, along with free access to the local fire stations. Connect Anza, as an integral part of AEC, will provide reliable, affordable broadband high speed, Fiber-To-The-Home (FTTH) internet service to its member-
