Re: Comments of Race Telecommunications, Inc. ((U-7060-C) on Draft Resolution No. T-17633 Approving Transfer of Control of Bright Fiber Inc. (U-7287-C) to Race Telecommunications, Inc. (U-7060-C) and Modifies CASF Grant for Bright Fiber Project Approved by Resolution No. T-17495

Dear Ms. Legakis:

Race Telecommunications, Inc. (Race) hereby timely files its comments on the above-referenced Resolution No. T-17633, issued for public comment on December 7, 2018. Race is concurrently serving by email a copy of these Comments to the Resolution T-17633 service list as directed on the Notice of Availability.

As required, attached you will find:

Attachment A: Subject Index Listing of Recommendations to the Draft Resolution

Attachment B: Table of Authorities

Attachment C: Appendix Setting Forth the Proposed Revised Findings and Ordering Paragraphs

The key requested edits are as follows:

1. On the amended Resolution T-17495 which is Appendix A to Resolution T-17633, Finding of Fact 8, at page 41, should be edited to correct the current corporate entity name as “Bright Fiber Network, Inc.” See Bright Fiber Network LLC Advice Letter 2, filed August 18, 2015 (noting its change in business formation from “Bright Fiber Network, LLC” to “Bright Fiber Network, Inc.” Similarly, there are three instances of “Bright Fiber, Inc.” name appearing on page 1 of the Resolution T-17633 which should be changed to “Bright Fiber Network, Inc.” in line two of the resolution caption under the title “Resolution”, in line two of the Summary paragraph, and in line one of the Background paragraph. On page 9 of Resolution T-17633, Finding of Fact 1, line one, replace “Bright Fiber, Inc.” with “Bright Fiber Network, Inc.” On page 11 of T-17633, Ordering Paragraph 1, replace “Bright Fiber, Inc.” with “Bright Fiber Network, Inc.”
2. We request a correction of the description of Spiral Internet and its legal name on page 2, last paragraph, of Resolution T-17633. This is the entity that John Paul, principal of Bright Fiber Network, Inc., has spun off and will operate separately in the future.
3. Appendix A, Finding of Fact 9, at page 41, should be removed entirely. The performance bond requirement was removed for the new parent Race due to the fact Race certified that it has all the

necessary funds for the 40% match of the grant. See Resolution T-17633, at page 6, third full paragraph.

4. Appendix A, Ordering Paragraph 3, at page 43: Add a sentence to the end of the CEQA paragraph to provide for the one year extension of time to construct that is provided for in Resolution T-17633 at pages 6-7. Add this language: "Bright Fiber is granted an additional year until May 11, 2020 to complete construction of the project."

Race and Bright Fiber otherwise support the Resolution and thank the Commission and the Communications Division for its expedited work on this project.

If you have any questions, please contact either Mr. Alcaraz at raul@race.com or Ms. Chong at rachelle@chonglaw.net.

Sincerely yours.

/s/ Raul Alcaraz

New footnote should read, “Bright Fiber Network, LLC submitted its CASF application and CPCN application under that name, but changed its business form to a corporation thereafter. In Bright Fiber Network, LLC’s Advice Letter 2, filed on April 18, 2015, and approved without controversy, Bright Fiber notified the Commission of its name change to “Bright Fiber Network, Inc.” and change to a corporate entity. Appendix Setting Forth the Proposed Revised Findings and Ordering Paragraphs

Resolution T-17633

Finding of Fact 1, at page 9, replace “Bright Fiber Inc.” with “Bright Fiber Network, Inc.”

Ordering Paragraph 1, at page 11, replace “Bright Fiber Inc.” with “Bright Fiber Network, Inc.”

Amend Ordering Paragraph 2 to replace “Bright Fiber Inc.” with “Bright Fiber Network, Inc.”

Appendix A, Amended Resolution T-17633

Finding of Fact 8, edit first sentence to read: “The original applicant was an entity known as Bright Fiber Network, LLC, a subsidiary company from Spiral Internet Inc. (now known as Bright Fiber Network, Inc.) established solely to build and manage this project.”

Finding of Fact 8, edit the last sentence to read: “. . . CD approved the transfer of the CASF application to Bright Fiber Network, Inc. on August 5, 2015.”

Remove Finding of Fact 9 at page 41 which requires Bright Fiber to post a performance bond. (This is consistent with the last sentence of Ordering Paragraph 5 on page 43)

At Ordering Paragraph 4, page 43, add a sentence to the end of the CEQA paragraph to provide for the one year extension of time to construct that is provided for in the resolution at pages 6-7: “Due to a transfer of control in late 2018, Bright Fiber is granted an additional year until May 11, 2020 to complete construction of the project.”
