Pursuant to Rule 11.4 of the Rules of Practice and Procedure of the California Public Utilities Commission (Commission), the Public Advocates Office at the California Public Utilities Commission (Public Advocates Office), formerly the Office of Ratepayer Advocates,¹ hereby submits this motion for leave to file under seal the attachments to the Public Advocates Office's motion to compel Charter Communications, Inc. (Charter) to respond to the Public Advocates Office's data request in the above-captioned proceeding.

The Public Advocates Office's motion to compel includes two attachments: Appendix A: Data Requests and Responses, and Appendix B: Emails. Documents in both appendices discuss or refer to confidential information provided by Charter to the Commission, the Public Advocates Office and other Commission staff. The information was submitted with declarations by Charter pursuant to General Order 66-C, Decision (D.) 16-08-024 and D.17-05-035, seeking confidential treatment of all information in the letter due to its commercially sensitive nature.

The Public Advocates Office respectfully requests that the Commission issue an order directing that the confidential attachments to the Public Advocates Office's motion to compel, which have been redacted from the public version of the motion to compel, to remain under seal except upon further order or ruling of the Commission, Commission President, the assigned Commissioner, or assigned Administrative Law Judge or Law and Motion Judge.

¹ The Office of Ratepayer Advocates was renamed the Public Advocates Office of the California Public Utilities Commission pursuant to Senate Bill No. 854, which was signed by the Governor on June 27, 2018 (Chapter 51, Statutes of 2018).

A proposed order is attached.

Respectfully submitted,

/s/ MARION PELEO
