**RESPONSE OF RESPONDENT ASIAN PACIFIC COMMUNITY FUND TO
ORDER TO SHOW CAUSE**

I. INTRODUCTION.

Respondent ASIAN PACIFIC COMMUNITY FUND ("APCF") hereby submits the following Response to Order to Show Cause why the California Public Utilities Commission ("Commission") should not order the California's One Million Internet Users Coalition ("NIU Coalition") to return approximately \$244,385 of allegedly misappropriated California Advance Services Fund ("CASF") funds, impose penalties for violations of the grant's terms, and other remedies. As discussed below, Respondent APCF respectfully requests that the Commission discharge the Order to Show Cause as against APCF. Respondent ASIAN PACIFIC COMMUNITY FUND further requests that the Commission not order the return of the \$12,956.57 it received, and that the Commission not order any penalties be imposed against it.

II. FACTUAL BACKGROUND.

APCF is a 501(c)(3) non-profit organization established in 1990, focused on transforming lives and meeting the diverse needs of the Asian and Pacific Islander (API) community, to serve the need for alternative funding for Los Angeles-based non-profit organizations serving API communities. Prior to its incorporation, less than 0.3% of all local foundation funds went to API agencies, according to a 1988 study by A3PCON (Asian Pacific Policy & Planning Council). In 1986, the United Way of Greater Los Angeles funded only five organizations serving APIs. To raise funds for community organizations serving API communities, APCF initiated employee giving campaigns at various workplaces, including private companies, federal agencies, state agencies, county agencies, city agencies, and non-profit agencies. Over the past decade, APCF has diversified its fundraising efforts by developing other avenues for giving. With the growth of donor advised funds, giving circles, grant-making, and scholarship funds,

APCF has been able to cultivate philanthropy among APIs while providing multiple vehicles for donors to support the community.

In 2013, APCF joined the NIU Coalition with the intent of making the Parent Engagement and Technology (PE+T) Program available to the various low income Asian communities it supports, working with its many affiliate agencies. The plan was to start in one community, in one Asian language, working with one affiliate agency. If that proved successful, APCF would work with additional affiliates to bring the PE+T to other low income Asian communities in other Asian languages such as Japanese, Thai, Vietnamese, and Cambodian.

On March 22, 2013, APCF signed a Memorandum of Understanding ("MOU") with Community Union, Inc. (CU) represented by Larry Ortega to deliver the Parent Engagement and Technology (PE+T) Program in the Asian community. Pursuant to the MOU, APCF would work with one of its affiliates, the Asian Youth Center ("AYC"), a not-for-profit organization which provides afterschool programming, youth leadership as well as other services, to provide the deliverables as detailed in Exhibit E of the MOU.

Extensive translation of the curriculum into Chinese and some customization was required as the program would be taught in Mandarin. The payment for this work would be outside of the signed MOU with the amount agreed upon by APCF and CU to be \$2,800.

In addition, CU agreed to pay the trainers/staff \$10 per hour for their time going through training, teaching, reporting, attending meetings and planning the graduation ceremonies based on a prescribed schedule. There were four trainers at AYC who underwent the "Train the Trainer" sessions conducted by Community Union.

On Friday, May 31, 2013, APCF coordinated and held a press conference to launch the program in Mandarin Chinese at AYC. There was an extensive list of speakers at the press conference. There was also TV news coverage by LA 18 and ETTV.

Thereafter, AYC held four (4) PE+T Programs during the months of June through October of 2013. Open Lab was available at AYC on Fridays for the duration of the training periods. After the training period and when the lab was not being used for computer classes, Open Lab was available Monday through Friday from 9:30 a.m. to 12:30 p.m. through December 2013.

APCF was paid for the above services based on 3 invoices submitted. In total, APCF only received \$12,956.57 in payments from Community Union for work performed in 2013. APCF exited the NIU Coalition after completing that work. It is the intent of APCF to fully cooperate with the investigation and provide any necessary documentation requested.

III. RESPONDENT ASIAN PACIFIC COMMUNITY FUND COMPLETED ALL OF ITS WORK IN 2013 AND EXITED THE COALITION IN 2014.

As stated above, APCF exited the NIU Coalition after completing the work in 2013. As set forth in the Declaration of Debra Fong, due to the immense difficulties in working with CU, both APCF and AYC agreed not to continue the relationship beyond the one year term of the MOU which was signed on March 22, 2013.

As set forth in the Declaration of Debra Fong, on or about June 9, 2014, APCF sent a letter to Larry Ortega to confirm that APCF would no longer be participating in the One Million NIU Coalition. The letter requested removal of APCF's name, logo and other references to APCF from the NIU website, social media outlets and any other materials relating to the NIU Coalition. The letter also requested that APCF be excluded from any

future NIU grant requests. As set forth in the Declaration of Debra Fong, APCF had no further involvement with, nor any contact with, the NIU Coalition after June 2014.

IV. RESPONDENT ASIAN PACIFIC COMMUNITY FUND HAD NO PRIOR NOTICE OF ANY REQUESTS FOR INFORMATION.

As set forth in the Declaration of Debra Fong, the first time that APCF and its representatives were made aware of the issues, audits, communications, requests and demands regarding the NIU Coalition and the California Advanced Services Fund (CASF) grant funds was after being served the Order Instituting Investigation (OII) on July 24, 2018.

As further set forth in the Declaration of Debra Fong, APCF was not at any time notified by Community Union, Inc. (CU), Korean Churches for Community Development (KCCD), CASF, CPUC Consumer Protection and Enforcement Division, or the California State Controller's Office regarding these issues nor requested to provide information prior to the service of OII on July 24, 2018.

V. RESPONDENT ASIAN PACIFIC COMMUNITY FUND SHOULD NOT BE ORDERED TO RETURN ANY FUNDS, NOR SHOULD PENALTIES BE IMPOSED AGAINST RESPONDENT.

APCF itself was not a signatory to the Consent Form. (Staff Report, Exh. 8.) Nevertheless, APCF believed it acted in good faith in complying with the grant terms, conditions and requirements. As described in the Declaration of Debra Fong, Respondent ASIAN PACIFIC COMMUNITY FUND working with AYC actually provided the Parent Engagement and Technology (PE+T) Program to the Asian community in 2013. The curriculum was translated into Chinese. Four trainers at AYC who underwent the "Train the Trainer" sessions conducted by Community Union. APCF only received a

total of \$12,956.57 from CU for its limited participation in the NIU program work in 2013.

Inasmuch as APCF completed all of its work in 2013 and formally exited the NIU Coalition in 2014, inasmuch as APCF had no further involvement with nor any contact with the NIU Coalition after June 2014, and since APCF was never made aware of the issues, audits, communications, requests and demands regarding the NIU Coalition and the California Advanced Services Fund grant funds until July 24, 2018, the Commission should not order APCF to return the \$12,956.57 it received, nor should the Commission impose any penalties against APCF.

VI. CONCLUSION.

Based on the foregoing, Respondent ASIAN PACIFIC COMMUNITY FUND respectfully requests that the Commission discharge the Order to Show Cause as against APCF. Respondent ASIAN PACIFIC COMMUNITY FUND further requests that the Commission not order the return of the \$12,956.57 it received, and that the Commission not order any penalties be imposed against it.

Respectfully submitted,

DECLARATION OF DEBRA FONG
IN RESPONSE ON BEHALF OF RESPONDENT ASIAN PACIFIC
COMMUNITY FUND TO ORDER TO SHOW CAUSE

I, DEBRA FONG, declare and state as follows:

1. From June 2007 to December 2017, I was the Executive Director of Respondent ASIAN PACIFIC COMMUNITY FUND ("APCF"). Since January 2018 to the present, I have continued to serve as the Executive Advisor of Respondent APCF. I hold a Bachelor's Degree in Economics/Business from the University of California at Los Angeles (UCLA), and a Master's of Business Administration (MBA) Degree from UCLA Anderson School of Management. I submit this declaration in support of Respondent APCF's Response to Order to Show Cause why the California Public Utilities Commission ("Commission") should not order the California's One Million Internet Users Coalition ("NIU Coalition") to return approximately \$244,385 of allegedly misappropriated California Advance Services Fund ("CASF") funds, impose penalties for violations of the grant's terms, and other remedies. I have personal knowledge of the following facts and if called as a witness, I could and would competently testify to the truth of the following facts.

2. APCF is a 501(c)(3) non-profit organization established in 1990, focused on transforming lives and meeting the diverse needs of the Asian and Pacific Islander (API) community, to serve the need for alternative funding for Los Angeles-based non-profit organizations serving API communities. Prior to its incorporation, less than 0.3% of all local foundation funds went to API agencies, according to a 1988 study by A3PCON (Asian Pacific Policy & Planning Council). In 1986, the United Way of Greater Los Angeles funded only five organizations serving APIs. To raise funds for community organizations serving API communities, APCF initiated employee giving campaigns at various workplaces, including private companies, federal agencies, state agencies, county

agencies, city agencies, and non-profit agencies. Over the past decade, APCF has diversified its fundraising efforts by developing other avenues for giving. With the growth of donor advised funds, giving circles, grant-making, and scholarship funds, APCF has been able to cultivate philanthropy among APIs while providing multiple vehicles for donors to support the community.

3. APCF in total received \$12,956.57 in payments from Community Union for work performed in 2013. APCF exited the coalition after completing that work. Below is an account of what took place. It is the intent of APCF to fully cooperate with the investigation and provide any necessary documentation requested.

4. APCF joined the coalition with the intent of making the Parent Engagement and Technology (PE+T) Program available to the various low income Asian communities it supports, working with its many affiliate agencies. The plan was to start in one community, in one Asian language, working with one affiliate agency. If that proved successful, APCF would work with additional affiliates to bring the PE+T to other low income Asian communities in other Asian languages such as Japanese, Thai, Vietnamese, and Cambodian.

5. On March 22, 2013, APCF signed a Memorandum of Understanding ("MOU") with Community Union, Inc. (CU) represented by Larry Ortega to deliver the Parent Engagement and Technology (PE+T) Program in the Asian community. A true and correct copy of the MOU is attached hereto as **Exhibit 1**. Pursuant to the MOU, APCF would work with one of its affiliates, the Asian Youth Center (AYC), a not-for-profit organization which provides afterschool programming, youth leadership as well as other services, to provide the deliverables as detailed in Exhibit E of the MOU.

6. Extensive translation of the curriculum into Chinese and some customization was required because the program would be taught in Mandarin Chinese. The payment

for this work would be outside of the signed MOU with the amount agreed upon by APCF and CU to be \$2,800. A true and correct copy of an exemplar of the translated materials is attached hereto as **Exhibit 2**.

7. In addition, CU agreed to pay the trainers/staff \$10 per hour for their time going through training, teaching, reporting, attending meetings and planning the graduation ceremonies based on a prescribed schedule. A true and correct copy of emails regarding the "Train the Trainers" training and one-page attachment entitled "Job Description for Computer Trainers_APCF.docx" are collectively attached hereto as **Exhibit 3**. (The attachment does have one error which was verbally clarified between Debra Fong and Alicia Ortega. Under "Hours breakdown" bullet #2, it should read 4 hours per class, 4 days weekly.)

8. The four trainers at AYC who underwent the "Train the Trainer" sessions conducted by Community Union were the following:

- 1) Fan Chi (Dana) Kung
- 2) Everett Lam
- 3) Khon Tu (Michael) Tran
- 4) Tiffany Tse.

A true and correct copy of emails regarding the training sessions which began on May 13, 2013 are collectively attached hereto as **Exhibit 4**. Timesheets are available for review if required. In addition to the trainers, other staff were involved in various aspects of the program as well.

9. On Friday, May 31, 2013, APCF coordinated and held a press conference to launch the program in Mandarin Chinese at AYC. Attached hereto as **Exhibit 5** are true and correct copies of Media Alert sent to Chinese Media, Press Conference Agenda & Info, including an extensive list of speakers, handed out at the press conference as well as press coverage. Also attached as part of **Exhibit 5** are two news articles of the event

published by World Journal and Epoch Times. There was TV news coverage by LA 18 and ETTV. Videos are available upon request.

10. Thereafter, AYC held four (4) PE+T Programs during the months of June through October 2013, on the following dates Monday through Thursday from 9:30 a.m. to 12:30 p.m.:

Session 1	06/03/13 - 06/27/13
Session 2	07/15/13 – 08/08/13
Session 3	08/26/13 – 09/19/13
Session 4	09/30/13 – 10/24/13

A true and correct copy of the student list and attendance records are collectively attached hereto as **Exhibit 6**.

11. Open Lab was available at AYC on Fridays between 9:30 a.m. and 12:30 p.m. for the duration of the training periods. After the training period and when the lab was not being used for computer classes, Open Lab was available Monday through Friday from 9:30 a.m. to 12:30 p.m. through December 2013.

12. With respect to graduation ceremonies, AYC held the following:

Session 1 & 2 Graduation	08/22/13
Session 3 Graduation	09/24/13
Session 4 Graduation	10/29/13

A true and correct copy of AYC correspondences, Facebook posts and photos are collectively attached hereto as **Exhibit 7**.

13. APCF was paid for the above services by CU based on 3 invoices submitted:

May 31, 2013	\$6,371.07
August 31, 2013	\$3,340.11
October 31, 2013	\$3,245.39

Attached hereto as **Exhibit 8** are true and correct copies of said invoices. The payments listed below do not exactly match up to the invoices because not all invoices were paid in full via one check payment. There were also extensive delays in receiving payment from CU.

14. APCF received the following four payment checks:

Check #1421	Deposited 08/16/13	\$4,771.07
Check #1470	Deposited 11/20/13	\$3,340.11
Cashiers Ck #1008359	Deposited 02/14/14	\$1,600.00
Check #3186	Deposited 05/12/14	\$3,245.39

A true and correct copy of these four checks reflecting payments which APFC received are collectively attached hereto as **Exhibit 9**. These were the only payments which APCF received from CU for the NIU program work, altogether totaling \$12,956.57. Bank records are available to verify that these were the only payments received from CU. No funds were received from KCCD.

15. Due to the immense difficulties in working with CU, both APCF and AYC agreed not to continue the relationship beyond the one year term of the MOU which was signed on March 22, 2013.

16. On or about June 9, 2014, I sent a letter on behalf of APCF to Larry Ortega to confirm a conversation that I had with him a few weeks prior, stating that APCF would no longer be participating in the One Million NIU Coalition. The letter requested removal of APCF's name, logo and other references to APCF from the NIU website,

social media outlets and any other materials relating to the NIU Coalition. The letter also requested that APCF be excluded from any future NIU grant requests. A true and correct copy of said letter dated June 9, 2014 is attached hereto as **Exhibit 10**. APCF had no further involvement with, nor any contact with, the NIU Coalition after June 2014.

17. Throughout the entire process, the effort was led by Larry Ortega of CU. After participating in a few meetings as a part of the coalition in the beginning to seek funding partners, there were no additional coalition meetings held to our knowledge.

18. The first time that APCF and its representatives were made aware of the issues, audits, communications, requests and demands regarding the NIU Coalition and the California Advanced Services Fund (CASF) grant funds was after being served the Order Instituting Investigation (OII) on July 24, 2018. APCF was not at any time notified by Community Union, Inc. (CU), Korean Churches for Community Development (KCCD), CASF, CPUC Consumer Protection and Enforcement Division, or the California State Controller's Office regarding these issues nor requested to provide information prior to the service of OII.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct. Executed this 20th day of August, 2018, at Los Angeles, California.

PARENT ENGAGEMENT through TECHNOLOGY

for

ASIAN PACIFIC COMMUNITY FUND

The Parent Engagement through Technology (PE+T) program squarely addresses the issue regarding the lack of engagement community members have in their child's education. It is our hope that APCF concurs with us in that the goal of PE+T fits well within the priorities of the Asian Pacific Community Fund's goals relative to Parent Engagement through Technology. PE+T trains community members to utilize on-line Internet resources to better guide their children to academic success using an Education/Graduation Plan they build during the PE+T course.

1. Organizational Background and History

Community Union, Inc. (Established 1993)

Mission: *To setup, sustain and expand broadband adoption in under-served communities through maximizing existing resources within schools, non-profit organizations, faith-based organizations and government agencies to create permanent Internet access points and Internet training, resulting in expansion of education and economic opportunities within under-served communities.*

Community Union, Inc. is a 501(c)(3) nonprofit corporation based in Los Angeles, California. Community Union (CU) provides training from community technology centers located in low-income neighborhoods. Current sites include the Central Valley and Southern California, with future sites in Silicon Valley and Florida in Winter 2012. We firmly believe the key to our success is due to the relationships we have built during the last 19 years. Key partnerships in this endeavor include Raisin City School District, Duarte Unified School District, Los Angeles Urban League, Los Angeles Unified School District, Bassett Unified School District, and the NIU Coalition which consist of the Asian Pacific Community Fund, Black Business Association, Korean Churches for Community Development, and Soledad Enrichment Action. The NIU Coalition of Central Valley includes the Fresno County Office of Education, City of Firebaugh, National Latina Business Women Association, and Coalition on Rural Pueblos Economic Development.

Community Union has successfully negotiated the opening of community-based technology training centers in over 21 cities, helping more than 19,000 community members, youth and senior citizens positively change their course in life through technology training. More than 100 college students who have worked with CU have found it to be a great career launching-pad as they moved into their professional endeavors. CU was founded in 1993 by Mr. Larry A. Ortega while he was attending law school at Western State University School of Law, Fullerton, CA.

CU first launched their courses working with children, but quickly realized that training community members in technology was key to impacting the digital divide, student achievement and graduation rates. A year after its inception, CU launched courses to serve community members in both Spanish and English.

2. Why Parent Engagement through Technology

A majority of low-income community members want their children to go to college, yet they lack the college-relevant knowledge about the prerequisites, paths, processes, and milestones that lead their children to college. Knowledge deficits are more evident among community members with lower incomes and educational attainment, as well as among first generation immigrants who are English Learners. Many Spanish-speaking community members are not being told the truth about the consequences of their child's low-academic performance and its impact on their child's future education and employment opportunities.

It has been CU's experience that children and community members lack the information necessary to succeed in school. How that 'lack' occurs takes many forms, know as barriers. There are language barriers, technology barriers, and just simply - interest barriers. Most community members of the low-income community are too busy working and putting food on the table and are less likely to seek-out assistance for their child's education. Not because they never cared and certainly not because they purposely want their child to do poorly, but because there was no one who made a purposeful effort to get them engaged. The Parent Engagement through Technology program presents an opportunity to make a purposeful effort to help community members engage in their child's education via technology. There are a wide array of websites and on-line content both in Spanish and English that help community members positively effect change in their child's education. CU has taught low-income community members how to access and use on-line resources for over 18 years and in our expert opinion significantly increases parent engagement.

3. Target Population

Sixty (60) low-income community members who have children or grandchildren participating in ASIAN PACIFIC COMMUNITY FUND Affiliate programs will be enrolled in PE+T, and will attend courses per **Exhibit C**.

4. Proposed Methodologies

Community Union believes it is a moral and economic imperative that we empower community members with college knowledge and training in technology to demystify the internet's on-line academic and non-academic resources available to them to increase student achievement. We have been successful in our endeavors because we have made technology training fun, relevant and interesting. PE+T is an innovative program designed to teach community members how to navigate on-line education resources for the purposes of developing an Education/Graduation Plan for their child. Simultaneously, community members get technology skills that will greatly assist them in their job search efforts.

Community members will attend two times a week, 2 hours each day, for 10 weeks or other agreed upon schedule for a total of 40 hours of training.

PE+T outcomes for community members:

- 1) Development of Internet on-line resource navigation skills using 9 key websites, addressing both academic and non-academic needs,
- 2) Development of a full-color multipage Education/Graduation Plan in PowerPoint that contains the following information:
 - a. A through G requirements (UC/CSU college entry requisites),
 - b. On-line education resources that will help children with most subjects in school,
 - c. Public Library website resources that help both adults and youth maximize academic success,
 - d. Basic child development resources and drug prevention strategies for youth and community members,
 - e. How to interact safely in Social Media environments,
 - f. Local Asian and Pacific Islander resources available on-line,
 - g. Increase Internet Safety knowledge for the purpose of improving their child's safety in accessing on-line resources,
- 3) Public speaking and advocacy strategies that will assist them in advocating for a quality education for their child.

The Education/Graduation Plan as developed in PE+T is an extension and enhancement to the work the counselors in the schools are mandated to perform. The challenge for the counselors and teachers is they have capacity issues. They need help and PE+T provides that help. PE+T not only provides the foundational understanding needed by community members such as A-G requirements, education resources, college options, etc., but because the community members will have on-going access to on-line resources, they will be empowered to forever engage and advocate for a quality education for their children. Utilization of the education plan is primary to the project. It is the key measuring metric that will be used in evaluating PE+T effectiveness. For example, if a child is not reading at her grade level the community members will be empowered to refer the child to on-line support systems to get them reading at grade level.

5. Project Goals, Operation and Evaluation:

PE+T's task-list, see **Exhibit D** below, is a list of exercises community members will complete during the 40 hour course. Modules A-1 through A-6 take community members through step by step on how-to use a computer, access the Internet and develop computer and Internet navigation skills while building an Education/Graduation Plan, using college, school district, library and Internet safety websites. Manuals, exercises and instruction are provided in Chinese and English.

Modules:

- A-1 - Develop a Vision Statement: Community members develop a 'vision' statement articulating desired goals and outcomes from the course,
- A-2 - Introduction to Windows and Word, community members learn basic functions, typing skills, and development of a formal communication letter,
- A-3 - Beginning Internet/E-mail navigation, community members set up email address and email teachers and other community members,
- A-4 - Introduction to PowerPoint, community members are introduced to the tool to be used to build Education/Graduation Plan,

- A-5 - Intermediate Internet Navigation: Community members perform research projects using on-line resources to obtain information about education, health, financial literacy, and Internet safety.
- **Education/Graduation Plan Completion:** Community members compile exercises and PowerPoint slides completed during the course into a clear-covered portfolio that will be called their Education/Graduation Plan and will serve as evidence of skills learned and will be used to guide their child through High School graduation and into college.
- Simultaneously, this same portfolio will be used to enhance employment endeavors.

Evaluation:

- Paramount to the proposed project is the evaluation of program effectiveness.
- Quantitative methods such as pre and post surveys will be used. Also, graduating participant's focus group interviews will create feedback that will be used to create qualitative data to fine-tune PE+T,

In summary, after the completion of the PE+T program the following Major Goals will be accomplished:

1. community members gain increased Internet navigation knowledge for the purpose of improving their child's academic success,
2. community members will develop an Education/Graduation Plan to ensure that their child is on-track to graduation and will meet CSU/UC admission prerequisites,
3. parent leaders emerge and become sustainable resources for other community members through a parent alumni advocate network that will advocate for quality education for their children.

facebook

什么是 Facebook?

Facebook 是一种社交网站，用户可张贴网络信息（包括照片、个人信息等），并与其他有着共同兴趣、爱好或经验的用户联络。Facebook 面对众多用户，由许多局部网络组成，这些局部网络可以围绕一个公司、地区、高中或大学组建。许多非盈利组织已经注册了并开始享受 Facebook 带来的便利。Facebook 非常容易操作，这也是其广受欢迎的原因之一。不管是添加好友，更改信息还是更新状态，都非常便捷迅速。

创建 Facebook 账户

The screenshot shows the Facebook registration form. At the top, there are fields for 'Email' and 'Password' with a 'Log In' button. Below these are checkboxes for 'Keep me logged in' and a link for 'Forgot your password?'. The main section is titled 'Sign Up' with the subtext 'It's free and anyone can join'. It contains several input fields: 'First Name', 'Last Name', 'Your Email', and 'New Password'. There is also a 'Select Sex' dropdown menu and a 'Birthday' section with 'Month', 'Day', and 'Year' dropdowns. A 'Sign Up' button is at the bottom. At the very bottom, there is a link: 'Create a Page for a celebrity, band or business.'

The screenshot shows the 'Sign Up' security check screen. It has the heading 'Sign Up' and the text 'It's free and anyone can join'. Under 'Security Check', it says 'Enter both words below, separated by a space. Can't read the words below? Try different words or an audio catchup.' Below this are two images of the words 'grow' and 'the' in a stylized font. There is a 'Text in the box:' label and a 'Sign Up' button. A 'Back' button is also visible. At the bottom, there is a small disclaimer: 'By clicking Sign Up, you are indicating that you have read and agree to the Terms of Use and Privacy Policy.'

首先，输入网址 Facebook.com，填写注册表，然后点击 sign up（提交）。

下一步，你会看到安全窗口。在空白处输入窗口中显示的字符，然后点击 sign up（提交）。

The screenshot shows the 'Step 1 Find Friends' screen. It has a progress bar at the top with 'Step 1 Find Friends', 'Step 2 Profile Information', and 'Step 3 Profile Picture'. The main heading is 'Are your friends already on Facebook?'. Below it, it says 'Many of your friends may already be here. Searching your email account is the fastest way to find your friends on Facebook.' There is a 'Your Email:' label and a search box containing 'FIND FRIENDS' and 'YAHOO! Mail'. Below the search box is a link: 'Facebook will not store your password. Learn More.' At the bottom right, there is a 'Skip this step' link.

现在你已经拥有一个 Facebook 的账户了，你可以轻松地与你身边的朋友联络了。先使用搜索功能来找到你已经注册 Facebook 的朋友，请求添加其为好友。你可以添加任何你能搜索到的用户为好友。如果你的好友名单寥寥无几，不要担心，你所添加的两三个好友可能会有很多好友，通过添加共同好友，就可以帮你扩展你的朋友圈。你也可以点击窗口的右下角跳过进一步搜索。

The screenshot shows the 'Step 2: Profile Information' screen. At the top, there are three steps: 'Step 1 Find Friends', 'Step 2 Profile Information' (highlighted), and 'Step 3 Profile Picture'. The main heading is 'Fill out your Profile Info' with a subtext: 'This information will help you find your friends on Facebook.' Below this, there are three input fields: 'High School:', 'College/University:', and 'Employer:'. At the bottom left is a 'Back' button, and at the bottom right are 'Skip' and 'Save & Continue' buttons.

在这里，你可以填写你的个人信息（教育背景和工作背景）。这些信息可以帮助你找到好友。

The screenshot shows the 'Step 3: Profile Picture' screen. At the top, there are three steps: 'Step 1 Find Friends', 'Step 2 Profile Information', and 'Step 3 Profile Picture' (highlighted). The main heading is 'Set your profile picture'. On the left, there is a large dashed box representing a photo upload area. On the right, there are two options: 'Upload a Photo From your computer' and 'Take a Photo With your webcam'. At the bottom left is a 'Back' button, and at the bottom right are 'Skip' and 'Save & Continue' buttons.

现在你可以张贴你的头像了。你可以从电脑中已有的照片中选出一张，也可以用摄像头拍摄一张。选择完毕后，点击“save & continue”（“保存并继续”）键。

The screenshot shows a confirmation message: 'Sandra, go to sandragarcia@hotmail.net to complete the sign - up process'. To the right of this message is a button labeled 'Go to your email'.

你还需要登陆你的邮箱，点击 Facebook 发给你的确认链接以完成注册。

Facebook 为每一个用户提供一个信息板，叫做“张贴墙”，它是该用户的个人主页。“张贴墙”还显示用户的头像、好友、个人信息以及张贴信息。用户可以在其上张贴各种信息，也可以在好友的“张贴墙”上张贴信息。要注意，你所张贴的信息将会被你的所有好友看见。

你的个人主页

每当你用你的电子邮箱地址和密码登录 Facebook 后，你就可以看到你的个人主页。

在你个人主页的左侧，你会看到一个导航栏。通过点击上面的选项，你可以快速地跳转到该页。

最新动态

最新动态会为你提供你在 Facebook 上的社交圈内好友的实时信息。让你在一天当中时刻掌握好友的动态，例如，当你的好友添加新的好友时，你会第一时间收到通知。每当你登录 Facebook 后，你都会看到好友及社交圈的活动。

如果你想要更新你的动态，用鼠标在标有“**What's on your mind?**”（“你在想什么？”）的方框内点击一下，（1）你就可以开始输入你的动态了（2）你可以附加图片、视频及链接等（3）你还可以在隐私的选项中选择哪些人有权查看这条动态。

发送和接受信息

登陆到欢迎页面后，你就可以开始收发信息了。你可以点击 **new message** 键来回复或发送信息。你还可以附加图片、视频或链接。

+ New Message

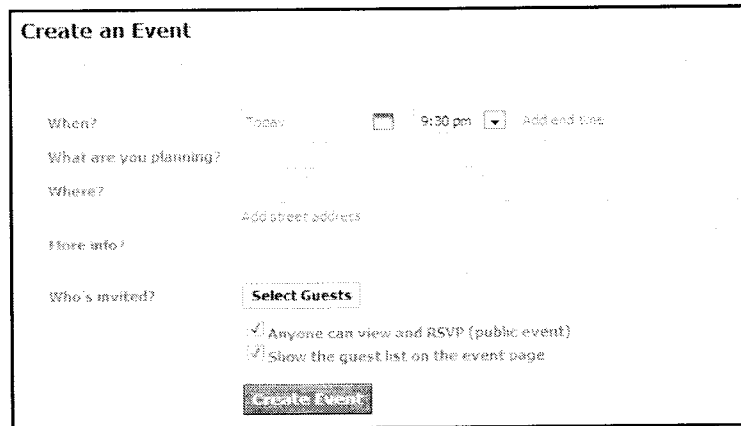

创建活动

+ Create an Event

Facebook 是创建家庭、朋友和公司活动的好地方。只要创建一个活动、添加图片并邀请好友加入即可。对于一个群体，你可以公布具体信息以便他人答复邀请。你还可以选择此活动只针对社交圈内还是针对所有人。点击页面左侧导航栏中的 **create an event**（创建活动）键即可。最后点击右上角的 **create**（创建）键即可完成。

创建活动窗口出现后，你就可以添加活动的具体内容了。你要填写时间、地点、内容、其他信息及受邀人，你也可以上传活动照片。完成后，点击 **create event**（创建活动）键即可。

分享及上传图片

分享及上传图片和视频是 Facebook 最受欢迎的功能之一。Facebook 允许用户无限量上传，每个图片集不得超过 60 张图片。

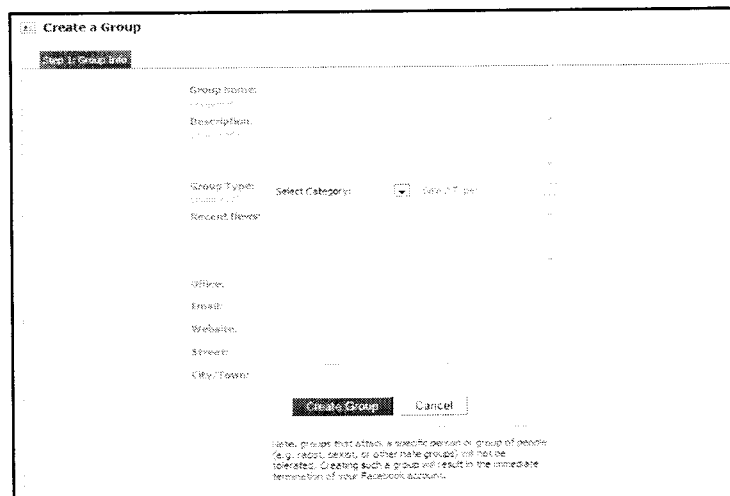

+ Upload Photos

+ Upload Video

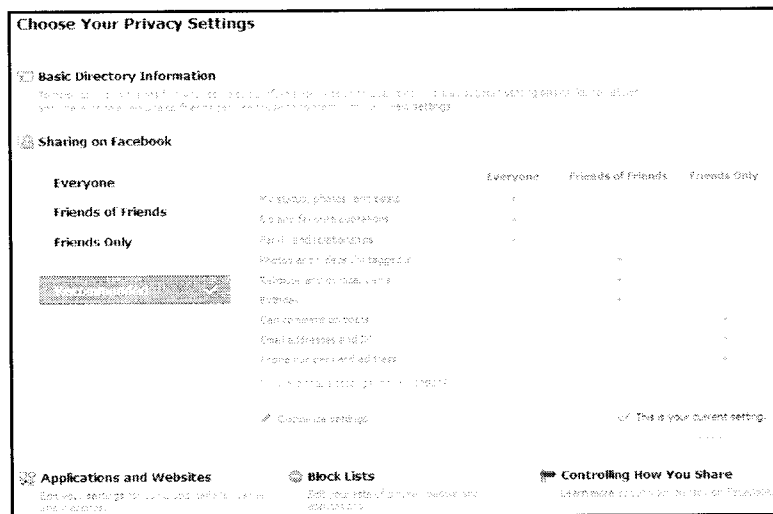

操作非常简单。先创建一本图片集，并设定可见人群（例如：仅对好友可见）然后上传图片。图片集会将这些图片归入你个人文档，其他用户可以查看并评论。你还可以在图片上圈出某人并通过网络链接或电子邮箱分享图片。

创建群

像其他的社交网站一样，你可以创建并加入群。为什么要创建群呢？创建群可以使你分享任何你想分享的事。你可以为某一活动或组织创建一个群，以便发布信息、讨论或分享图片。Facebook 上的群有两种，一种是对外的，另一种是不对外的。所以在创建群的时候要注意所建群的种类。

控制你分享的信息-维护基本隐私

在 Facebook 中，发布哪些信息以及对哪些人可见都由你决定。通过阻隔一部分人查看信息或创建有限的信息，你的隐私得到了一定的保护。在这里，你可以看到你的隐私设置。

好友

本页显示你在 Facebook 上的所有好友、家人及熟人。在这里，你可以找到你以前的高中同学、大学同学、联谊会或同事，并将其加为好友。

如何添加好友

你可以运用 Facebook 的搜索功能。你可以输入姓名、城市、州、学校或单位来搜索好友。找到好友后，你可以点击右侧的“Add as Friend”（“加为好友”）键。添加好友的请求会发送到被添加人的主页，被添加人确认同意后，你就可以在你的好友名单上找到此人。

收到添加好友请求后，将其加入好友名单：

1. 点击 **friend request**（好友请求）。
2. 在一个下拉菜单中选择一个你已经创建的好友名单。如果你想为这位好友创建一个新的好友名单，则在"Create List"（“创建名单”）栏内输入名称。
3. 点击"Confirm"（“确认”）。

应用及游戏

Facebook 上的应用包括游戏及活动、图片等功能来提高用户使用质量。其中一些是由 Facebook 的开发者所开发，但大多数的应用是由第三方开发的。

Facebook 上的应用可以让你和你的朋友一起玩游戏、记录朋友的生日、分享电影观后感、赠送礼物等等。你可以用信用卡、PayPal 或移动电话购买 Facebook 币，来购买 Facebook 上的应用和游戏。

a Place of our own

Becoming A Storyteller

We are all storytellers. We tell stories on the phone, when we talk about our children and families, when we describe the play of an outstanding athlete, when we tell our family about what happened at work, etc. Stories are a natural part of the day. Children learn more than you might think from those stories. Sharing stories with children helps them develop language and literacy skills, and can give them a chance to spend special time with you.

Here are some storytelling ideas that you might try:

- 1 Tell stories about what your life was like when you were your child's age.** What toys did you play with? Where did you live and what did it look like? What were your friends like? What kind of music did you listen to? What kind of clothes did you wear? If you are a grandparent, tell a story about your grandchild's parent when they were the child's age.
- 2 Review the events of the day.** Share stories about who you saw, what you did, where you went, how you felt, etc. Children are always interested in what their parents do, even if it doesn't seem special to you.
- 3 Create a family scrapbook.** Tell stories about each person or memento in the scrapbook.
- 4 Re-tell a story you already know,** like a fairy tale or a classic children's story.
- 5 Find an interesting picture.** Make up a story about how the picture came to be or what happened to the people (or animals or place) in the picture.
- 6 Read picture books** (books without words) with your child.
- 7 Make up stories** featuring your child and/or your child's favorite stuffed animals or friends.

Find ways to let children participate in the storytelling:

- Ask your child to review their day.
- Involve children in a story by having them act out parts, add sound effects, use props, finish your sentences, predict what will happen next, etc.
- Tell the first half of a story and let your child make up the ending or vice versa.
- After viewing a TV program or movie, make up a story together about what happens to the characters the next day.

Sometimes storytelling can be spontaneous and sometimes it works well to schedule special storytelling time (e.g., in the car on the way to school, at the dinner table, at bedtime, while waiting for appointments, etc.).

When might storytelling fit into your routine? _____

Hi Alicia,

If you could let me know what the current plan is for the training. I need to know if 8:30-12:30 M-F for the weeks of May 13 & May 20 are the confirmed times and dates. I also need to know if the trainers will need access to computers for the entire time of the training. We are remodeling the building that will host the class and the training during the week of May 20th. I would need to know the logistics of the training for that week, so that I can prepare the proper facilities temporarily in our other building.

I also need the rest of the curriculum (the portion that was sent to me in Spanish and was to be returned to me in English), so that I can have it translated into Mandarin.

Please respond at your earliest convenience.

Thanks,

在三個非營利組織的合作（亞太社區基金會APCF，亞裔青少年中心AYC和社區聯盟CU）下成立的新百萬網路用戶聯盟（NIU），向聖蓋博谷地區華裔低收入父母或祖父母提供「免費電腦和網路培訓」，使他們能積極參與孩子的生活與學習。

三個組織之間合作，希望能將完整資源與經來有效幫助並服務聖蓋博谷的亞裔社區。活動先前已在多個社區展開，參與的民眾有說韓語、西語、華語及英語，取得良好的效果，活動6月繼續舉行。

亞太社區基金會發展部主任陳黃群雁（Chun-Yen H. Chen）31日表示，活動對低收入家庭完全免費，並提供中文教學。陳黃群雁說，新的培訓活動將於6月3日開始，民眾可以在最近幾天前往聖蓋博亞裔青少年中心報名，整個培訓過程共40小時，分十周進行，額滿為止，地址為100 W Clary Ave. San Gabriel, CA 91776。

參加31日活動的還有亞太社區基金會（APCF）執行主任鄭靜宜、社區聯盟（CU）總裁/首席執行官Larry Ortega、亞裔青少年中心（AYC）執行主任Michelle Freridge、聖蓋博市市長 Juli Costanzo、市議員廖欽和、卜君毅、加州州眾議員周本立辦公室代表、洛杉磯社區學院理事伍國慶、阿罕布拉市副市長及華裔民選官員協會（CEO）主席沈時康、聖蓋博華人協會會長周正烜律師等。

百萬新網民計畫進入華人社區

圖：亞太社區基金會、亞裔青少年中心和社區聯盟合作把加州培訓「百萬新網民」(NIU)計畫帶入位於華人聚集的聖蓋博，將從下週一開始免費為華裔(祖)父母提供電腦和互聯網課程，受到社區領袖支持。(攝影：劉菲/大紀元)

【大紀元2013年06月02日訊】(大紀元記者劉菲聖蓋博市報導)互聯網已經成為現代生活不可缺少的一部分，然而即便在科技發達的美國也有電腦盲一族，僅在加州就有3百萬人不會上網，其中很多是少數族裔的家長。為了給他們掃盲，三個非營利組織——亞太社區基金會(APCF)、亞裔青少年中心(AYC)和社區聯盟(CU)合作把加州培訓「百萬新網民」(NIU)計畫帶入位於華人聚集的聖蓋博，將從下週一(6月3日)開始免費為華裔(祖)父母提供電腦和互聯網課程。課程共40小時、為期10週，有國粵語教員。

該課程可幫助家長使用網絡搜索功能、在網上追蹤孩子的成績和考動、幫助孩子完成家庭作業、連接當地圖書館等資源網站、上網了解預防青少年吸毒的策略、學會使用社交網站臉書(Facebook)及網絡安全常識等各方面信息，讓家長能更多參與子女教育。該課程已經在拉丁裔社區成功推廣，現進入華人社區，目的是幫助(祖)父母學會利用網絡幫助孩子的升學課業。

圖：在亞裔青少年中心學習電腦的老者。(攝影：劉菲/大紀元)

亞裔青少年中心常年開辦電腦班服務華裔耆老，參與培訓百萬新網民計畫順理成章。年逾古稀的Michael Chang就是從AYC電腦班畢業的學生之一。他說：「短短幾個月，每天2-3個小時，但我學到了很多東西，學會上網看視頻和報紙。同學都是70多歲的老人家，感謝亞裔青少年中心給我們提供這麼好的機會。」

這一行動受到地方民選官員和社團領袖的大力支持。5月31日，聖蓋博市市長Juli Costanzo、市議員廖欽和、卜君毅，加州參議員Ed Hernandez辦公室代表、加州眾議員周本立辦公室代表、洛杉磯縣委員安東諾維奇辦公室代表，洛杉磯社區學院董事伍國慶，阿罕布拉市副市長沈時康和聖蓋博華人協會周正烜紛紛前來祝賀。Costanzo代表聖蓋博市府向亞裔青少年中心贈送了一盆中國傳統的常青樹，預祝該AYC繼續興旺發展。Hernandez和周本立代表則分別向三個合作單位頒發了獎狀。

伍國慶特別回憶了自己過世的父親，退休後在家除了吃飯睡覺就是看電視、看孩子們在鍵盤上敲打……直到他也學會使用電腦上網，生活才重新變得有趣。因此他認為對許多老年人來說，電腦能給他們開闢新世界，恢復精神追求和生活目標，

是性命攸關的大事。

還有不少老人慕名前來惡補英文，家住伯班克的張氏夫婦就是其中之一。張太太說：移民美國幾十年，在這裡生兒育女，但為了養家從沒有時間系統學習過英文。早年開洗衣店，幾個簡單的日常用語就可以應付。現在終於有時間了，希望能真正學會說英語。

電腦班教員之一Everett Lam說：會不會英語並非是學習電腦的必要前提，因為有會講國粵語的教員。而谷歌翻譯器等網絡工具，倒是可以幫助他們接觸英文信息。

亞裔青少年中心的免費電腦課程從6月3日開始，每週一至週四上午9：30到下午12：30上課，12月20日結束。報名可電：626-309-0425。此外亞裔青少年中心還提供課後輔導、SAT1預備班、青少年網絡暴力與心理健康班和食品分計畫，歡迎社區人士充分利用。◇

Hi Deborah,
Our location for the graduation will be 100 West Clary Ave. It will be in the classroom, no the gym. Will someone be attending from CU?

Hi Deborah,

Since we only have 9 students attending this session, whoever comes tomorrow to work on FB, should pull one student at a time to the back of the room to get them on to FB. The rest of the class will continue as usual.

I will let the instructor know that there will be someone there to help tomorrow with Facebook. Thank you for the extra help.

Our graduation is set for Tuesday 9/24/13 @10am.

I am just creating certificates from the template you sent me already, correct?

We have made our press release from our usual contacts with AYC.

Dana is arranging the potluck.

I am printing PowerPoints and certificates.

Let me know if we need anything else.

Subject: NIU Final Count

Hi Deborah,

I wanted to get you the final count for the last 2 classes of NIU.

We were missing the following 5 students. These completed a powerpoint and I made them certificates from the certificate you emailed me.

Nancy Tran

Yiu Chi

Johnny Yau

King Seto

Xue Lian Zhang

This will take us to a final head count of 33.

Our current class has 9 students attending regularly. If they complete their powerpoints this week, that will take us to a grand total as of next week of 42. This means we need to service 18 more clients. If we don't get them all in this next class starting 9/31/13, then they will be serviced in a final class in November.

We are waiting to hear back about Facebook sign ups by your staff. If you plan to get this class to sign up, then we will need you to come out this week.

Let me know.

Thanks,

Hi Deborah,

I just wanted to touch base with you on a few things.

First, Everett is no longer working with AYC. So please have all contact go directly through me. If there was anything you had pending with him, please let me know so that I can follow up.

Second, I thought we had agreed not to have any dignitaries attend this graduation? AYC is planning this as a small event, not a full blown press event. Our goal is simply to recognize the students and celebrate their success in house. Please let me know that you will confirm that no dignitaries will attend. This would change the whole dynamic of the event for us and would cause us to have to reschedule.

Let me know what your follow up is.

I will get the list of names to you by this afternoon.

Thanks,

Hi Deborah,

I was just informed that no one showed up to setup Facebook for the clients this morning as promised. This is very disappointing. Next time please make arrangements that can be kept and if changes arise, as can often times occur, please extend the courtesy of letting us know. We will no longer have time to setup Facebook for this class. Perhaps we can make more solid arrangements for the next class.

Thank You,

Thanks Nicholette,

Will the classes starting on Monday have the same schedule and trainer as the previous sessions? I will also need the end date and proposed graduation date and who will be keeping track of attendance & updating on google docs, creating student attendance databases etc.

We have a new trainer procedural package and tasklist that i will forward over to you tomorrow so the trainer can go over it prior to class start. Either I or Neri will be doing a site visit either Thursday of next week or Monday or Tuesday of the following week. Please let me know which date works best for you.

Thanks so much for all your support. Have a great evening.

Deborah,
Will the classes starting on Monday have the same schedule and trainer as the previous sessions?
Yes.
I will also need the end date and proposed graduation date.
End date: 10/25/13

Grad date: 10/29/13

Who will be keeping track of attendance & updating on google docs, creating student attendance databases etc.

You can send all information to me and I will see that it is completed. All communication will be through me. Please contact me if you need anything and I relay messages and instructions to the instructor. Will you be sending us the google doc for attendance? Isn't the student attendance database the same thing as the attendance? Can I just use the previous database and just input new information, why does a new doc need to be created?

We have a new trainer procedural package and tasklist that i will forward over to you tomorrow so the trainer can go over it prior to class start.

What will the changes be? What will they require? We need them today. Class starts Monday.

Either I or Neri will be doing a site visit either Thursday of next week or Monday or Tuesday of the following week. Please let me know which date works best for you.

Thursday.

Who will be keeping track of attendance & updating on google docs, creating student attendance databases etc.

You can send all information to me and I will see that it is completed. All communication will be through me. Please contact me if you need anything and I relay messages and instructions to the instructor. Will you be sending us the google doc for attendance? Isn't the student attendance database the same thing as the attendance? Can I just use the previous database and just input new information, why does a new doc need to be created?

There are two separate reports. I created the new PE+T Student Database for the new session. I have shared that document & the Attendance All Sites Fall 2013 (birdseye view of daily attendance counts) with you on Google Docs, please let me know if you didn't receive them. They just have to be populated on Google Docs.

We have a new trainer procedural package and tasklist that i will forward over to you tomorrow so the trainer can go over it prior to class start.

What will the changes be? What will they require? We need them today. Class starts Monday.

The New trainer procedures document is attached, please let me know if you have any questions.

Either I or Neri will be doing a site visit either Thursday of next week or Monday or Tuesday of the following week. Please let me know which date works best for you.

Thursday.

Thanks, Set on calendar for next Thursday 10/3/13 will be there between 10-11am.

Thanks for all your help Nicholette, have a great weekend!

Thanks,

Deborah,

Will the classes starting on Monday have the same schedule and trainer as the previous sessions?

Yes.

I will also need the end date and proposed graduation date.

End date: 10/25/13

Grad date: 10/29/13

Will the class end on Friday 10/25, the schedule i had from previous sessions; M, T, W, TH 9:30 - 12:30

Yes, M-Th 9:30-12:30. We offer Fridays as Open Lab for practice or catch up. So class will end on Friday 10/25.

Will the graduation be at 10am

Hi Dana,

I hope we are all ready to go for the new class on Monday. The class will run for 4 weeks until 10/25/13. The graduation will be on 10/29/13. If you need anything else to get ready for the class, please let me know.

Also, I want to ask you to please make sure that anyone from NIU that contacts you with directions or instructions should be sent to me. I do not want the NIU people coming and telling you what to do. If they do so, please let them know that you will talk to me first and then get back to them. This way I can be sure to be up to date and keep things reasonable and organized. If you have any questions, please let me know.

Thanks,

Hi, Nicholette

Of course. I will take over the roll sheet and update the attendance. I will send it to you and Sofia. If NIU needs it, I hope that you can send it to them.

Thank you

Re: Participation in One Million NIU Coalition

Dear Larry,

I hope this letter finds you well. I am writing to confirm the conversation we had a few weeks ago.

The Asian Pacific Community Fund (APCF) will no longer be participating in the One Million NIU Coalition. Please remove the APCF name, logo and any other references to the organization from the NIU website, social media outlets and any other materials relating to the coalition. Your prompt attention to this matter in having this taken care of within the next 30 days would be greatly appreciated. Please also be sure to exclude APCF from any future NIU grant requests as the organization will no longer be a part of the coalition.

If you have any questions, please let me know. I wish you all the best in your pursuit of one million new internet users and much success with the program.

Sincerely,

A handwritten signature in black ink, appearing to read "Debra Fong".
