Re: Denial of Pacific Gas and Electric Company's Request for Extension of Time to Comply with Decision (D.) 19-03-004, Ordering Paragraph 6.

Dear Mr. Jacobson:

On March 25, 2019, Pacific Gas and Electric Company ("PG&E") submitted a letter to me, as the Executive Director. In that letter, PG&E requested an extension of time to comply with Ordering Paragraph 6 of Decision (D.) 19-03-004. In the decision, the Commission affirmed an Arbitrator's Report and ordered PG&E and Crown Castle NG West LLC ("Crown Castle") to execute the revised license agreement attached to D.19-03-004. PG&E made its request for an extension of time to comply pursuant to Rule 16.6 of the Commission's Rules of Practice and Procedure.

In an e-mail to the Executive Director on March 26, 2019, Crown Castle indicated that it plans to oppose PG&E's request and asked for the denial of the request, or "at a minimum [that] the extension of time [be] limited" so Crown Castle could file a forthcoming response to PG&E's request. Rather than sending a letter response to the Executive Director, Crown Castle inappropriately submitted on April 8, 2019 its opposition to the extension in its response to PG&E's application for rehearing.

Nonetheless, I have fully considered PG&E's request, and believe the request fails to set forth good cause for the granting of an extension of time to comply. Merely making a general statement of irreparable harm and referencing the filing of an application for rehearing are insufficient grounds for me to grant the requested extension.

Also, I note that my authority under Rule 16.6 of the Commission's Rules of Practice and Procedure allows me to extend the time for compliance but not to grant a motion for stay. Only the Commission can grant such a motion. Further, the denial of this extension request does not affect the Commission's consideration and disposition of the rehearing application.

Thank you for your attention to this matter.

Sincerely,
