MOTION FOR PARTY STATUS OF MEDIA ALLIANCE

I. Introduction

Media Alliance respectfully moves for party status in this proceeding in accordance with Section 1.4 of the California Public Utilities Commission (“Commission”) Rules of Practice and Procedure.

II. Interest in Proceeding #A.18-07-011

Media Alliance is a Northern California democratic communications advocacy organization founded in 1976. Our members include professional and citizen journalists, and activists and advocates who use the communications system to draw attention to issues of community importance and highlight diverse perspectives and alternative points of view.

The affordability and reliability of wireless services and mobile platforms, and the competitive state of that market is of importance to our members due to their reliance on those platforms to deliver their content to their audiences and the ability of their desired audiences to access that content easily.

At this time, Media Alliance would like to join this proceeding as a party in order to represent their interests before the California Public Utilities Commission and actively participate in this proceeding and submit comments.
