FCC ANNOUNCES THE MEMBERSHIP OF THE BROADBAND DEPLOYMENT ADVISORY COMMITTEE HARMONIZATION WORKING GROUP

GN Docket No. 17-83

This Public Notice serves as notice that Federal Communications Commission (Commission) Chairman Ajit Pai has appointed members to serve on the Harmonization working group of the Broadband Deployment Advisory Committee (BDAC).¹ The members of this working group are listed in Appendix A.

This working group is being formed following the vote of the BDAC on April 25, 2018, to approve both the Model Code for Municipalities and Model Code for States, subject to the understanding that further work would be done to address inconsistencies and otherwise harmonize the two codes. The Harmonization Working Group has been tasked with revising the Model Code for States and the Model Code for Municipalities with the goal of producing model codes that are harmonized with each other and with the BDAC's prior recommendations.

The BDAC is organized under, and operates in accordance with, the provisions of the Federal Advisory Committee Act (FACA).² The BDAC's mission is to provide advice and recommendations to the Commission on how to accelerate the deployment of high-speed Internet access.³

More information about the BDAC is available at <https://www.fcc.gov/broadband-deployment-advisory-committee>. You may also contact Paul D'Ari, Designated Federal Officer (DFO) of the BDAC, at paul.dari@fcc.gov or 202-418-1550; Deputy DFO Deborah Salons, at deborah.salons@fcc.gov or 202-418-0637, or Deputy DFO Jiaming Shang, at jiaming.shang@fcc.gov or 202-418-1303.
