

# Community Input Needed

TO DISCUSS OAKLAND'S WIRELESS BROADBAND NEEDS & OPPORTUNITIES

The Office of the Mayor, the City Council and the Department of Information Technology are exploring how city services might be enhanced by wireless broadband technology, and looking for opportunities to support economic development, boost public safety, improve quality of life, and increase public Internet access.

We need to hear from Oaklanders in every district of the city, and all walks of life. Please join this open discussion and informational meeting to share your ideas, goals and concerns. Mayor Ron Dellums is looking for everyone to participate in this diverse discussion.

**September 22, 2008**  
Monday 5:00 - 6:00 PM  
City Hall, Hearing Room 1
