

Appendix C – Consortium Information

Mutual Telephone Company of Sioux Center, Iowa dba Premier Communications has been identified as the lead applicant and the bidding entity for the American Heartland Consortium. The companies identified herein formed this consortium, as permitted under the FCC's rules, to allow the Parties to file a single Short-Form application and to bid in the RDOF Phase I Auction 904. If any consortium member wins CBGs in the auction, that entity or operating entities under it will fill out a long form application to claim any of its winning bids and will buildout and operate those winning CBG areas separately.

The following are the members of the Consortium and their contact information:
