

Appendix C – Consortium Information

Applicant is a Consortium that is not organized as a distinct legal entity. Interstate Telecommunications Cooperative, Inc. has been identified as the lead applicant and the bidding entity for the Great Plains Consortium ("Consortium"). The companies identified herein formed this Consortium, as permitted under the Federal Communication Commission's rules, to allow the Parties to file a single Short-Form application and to bid in the Rural Digital Opportunity Fund Phase I Auction 904 ("Auction 904"). If any Consortium member wins Census Block Groups ("CBG") in Auction 904, that entity or operating entities under it will fill out a long form application to claim any of its winning bids and will buildout and operate those winning CBG areas separately.
