

The applicant is a consortium including AirFi, Inc., Triad Wireless, LLC, and SOM1101 LLC. The Parties have an agreement to work together to support the Rural Development Opportunity Fund bidding process as a consortium as defined within the Rural Development Opportunity Fund rules. The name of the consortium is Wildstar.

The Wildstar consortium has provided the required ownership information for each of its constituent members. Because the electronic Form 183 does not allow applicants to reference specifically which Disclosable Interest Holders (DIH) correspond with which members of the consortium, Wildstar would like to make the following clarifications:

- 1010 Holdings LLC is listed twice as a DIH because it has indirect ownership interests in both AirFi, Inc. and SOM1101 LLC. As further clarified by AirFi, Inc. and SOM1101 LLC's statements of indirect ownership, 1010 Holdings LLC has a 95% indirect interest in AirFi, Inc., whereas it has a 99.9% indirect interest in SOM1101 LLC.
- Charles Aton is a DIH for Triad Wireless, LLC.
- John Bagalini is a DIH for Triad Wireless, LLC.
- Rory Conaway is a DIH for Triad Wireless, LLC.
- Ryan Gardner is listed twice as a DIH because he is a Director of AirFi, Inc, as well as both a director and 0.1% indirect interest holder of SOM1101 LLC.
- Jack Mandala is a DIH for AirFi, Inc.
- RNSL LLC is listed twice as a DIH because it has direct ownership interests in both AirFi, Inc. and SOM1101 LLC. As further clarified by AirFi, Inc. and SOM1101 LLC's statements of indirect ownership, RNSL LLC has a 95% direct interest in AirFi, Inc., whereas it has a 99.9% direct interest in SOM1101 LLC.
- Michael Rollins is a DIH for Triad Wireless, LLC.
- Gregory Wyler is listed twice as a DIH because he has indirect ownership interests in both AirFi, Inc. and SOM1101 LLC. As further clarified by AirFi, Inc. and SOM1101 LLC's statements of indirect ownership, he has a 95% indirect interest in AirFi, Inc., whereas he has a 99.9% indirect interest in SOM1101 LLC.
