

Appendix C – Consortium Information

Applicant is a Consortium that is not organized as a distinct legal entity. Tri-County Rural Electric Cooperative, Inc. has been identified as the lead applicant and the bidding entity for the Co-op Connections Consortium. The companies identified herein formed this Consortium, as permitted under the Federal Communication Commission's rules, to allow the Parties to file a single Short-Form application and to bid in the Rural Digital Opportunity Fund Phase I Auction 904. If any consortium member wins Census Block Groups ("CBG") in Auction 904, that entity or operating entities under it will fill out a long form application to claim any of its winning bids and will build-out and operate those winning CBG areas separately.

The following are the members of the Consortium:
